3. i 4. sat – RADNI ODGOJ – Bojanje po predlošku

Današnji nam je zadatak nastaviti niz bojanjem po predlošku! Pokažite učeniku gornju sliku i dajte uputu da prema tome oboji donju! Pružite podršku u biranju boja koje učenik koristi!

##### 5. sat – RAZVOJ KREATIVNOSTI - - Sviranje - Praćenje takta i ritma tijelom

Za kraj današnjeg dana preslušajte dječje pjesmice na sljedećoj poveznici te ih pratite pokretima tijela – pljeskanjem, ljudjanjem u ritmu pjesmice ili sviranjem zvečki ukoliko ih imate doma! Na pjesmicama s pokretima koje smo učili u školi možete ponavljati pokrete!
