School Activities/Events

In the 2014/2015 school year Primary school "Ivan Goran Kovačić" from Slavonski Brod continued with participation in Entrepreneurial Learning, SEECELS project. This school year the school has a dual role:

- 1 pilot school for the Entrepreneurial Learning at ISCED1
- 2 mentor school for the Entrepreneurial Learning at ISCED2.

Since the beginning of a school year in September up to now we have planned and carried out many activities/events that encouraged the entrepreneurial spirit and entrepreneurial mindset in all classes. During the preparation and execution of these activities/events we have achieved many outcomes of entrepreneurial learning on both ISCED1 and ISCED2 levels.

In the next section photo or video documented activities/events are listed with a web links to a web reports and/or photos and video footage of activities/events (in Croatian language).
