FIVE LITTLE MONSTERS

Five little monsters sitting by the door.
One ran away and then there were four.
Four little monsters sitting in a tree.
One fell off, and then there were three.
Three little monsters drinking orange brew.
One fell in, and then there were two.
Two little monsters having lots of fun.
One went home, and then there was one.
One little monster sitting in the sun.
It melted away, and then there was none!

FIVE LITTLE PUMPKINS

Five little pumpkins sitting on a gate.
The first one said, "Oh, my it's getting late."
The second one said, "There are witches in the air."
The third one said, "But we don't care."
The fourth one said, "Let's run, let's run!"
The fifth one said, "Isn't Halloween fun?"

Then Woooooo went the wind
And OUT went the lights.

And five little pumpkins rolled out of sight.
