

Ima jedan grad
koji je hrabrošću
nadmašio sebe i
sve naše more.

Zbog njega ne
sloboda

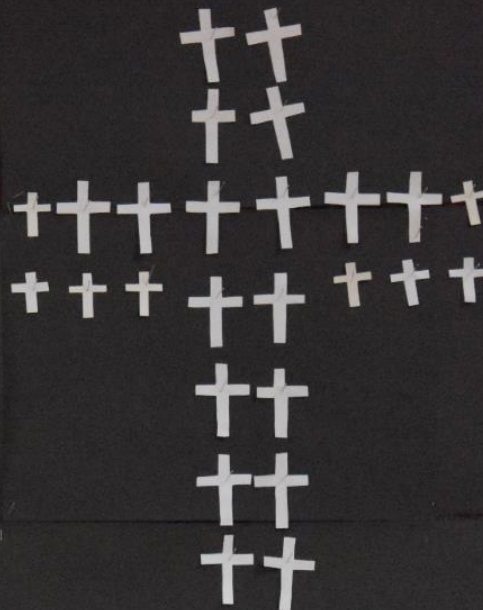

VUKOVAR zove!..

VUKOVAR

Sunce miluje
ravnice naših
sinova
crven, bijeli, plav
sad vijori Vukovar!

U srcu nosim ja
tisuću bijelih
križeva
ponesimo ih svi da
se ne zaboravi.

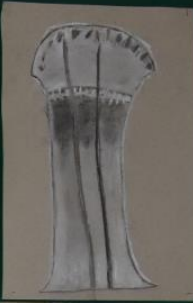

Dužo,
upamti dobro - sloboda
je najveći dar...

a košjeno prigni
ničice zemlji uvijek
kad čuješ
