

TERENSKA NASTAVA ŠESTIH RAZREDA

-SINJ

SINJSKO POLJE

Na ulazu u Cetinsku krajinu, iz autobusa smo gledali predivnu panoramu Sinjskog polja.

KIP ALKARA

Prva znamenitost koju smo obišli bio je imponzantan kip alkara.

Za početak, odlučili smo se razgibati uz nekoliko
čučnjeva...

Vodič nas je uveo u Sinj
te nam dao osnovne
informacije o gradu
Sinju i tradicionalnoj
sinjskoj alci.

Pred ulazom u marijansko svetište Gospe sinjske, ugledali smo vrlo poznati kip.

Čekanje pred ulazom u crkvu...

Neki od naših učenika pomolili
su se pred originalom
poznatog portreta Gospe
sinjske.

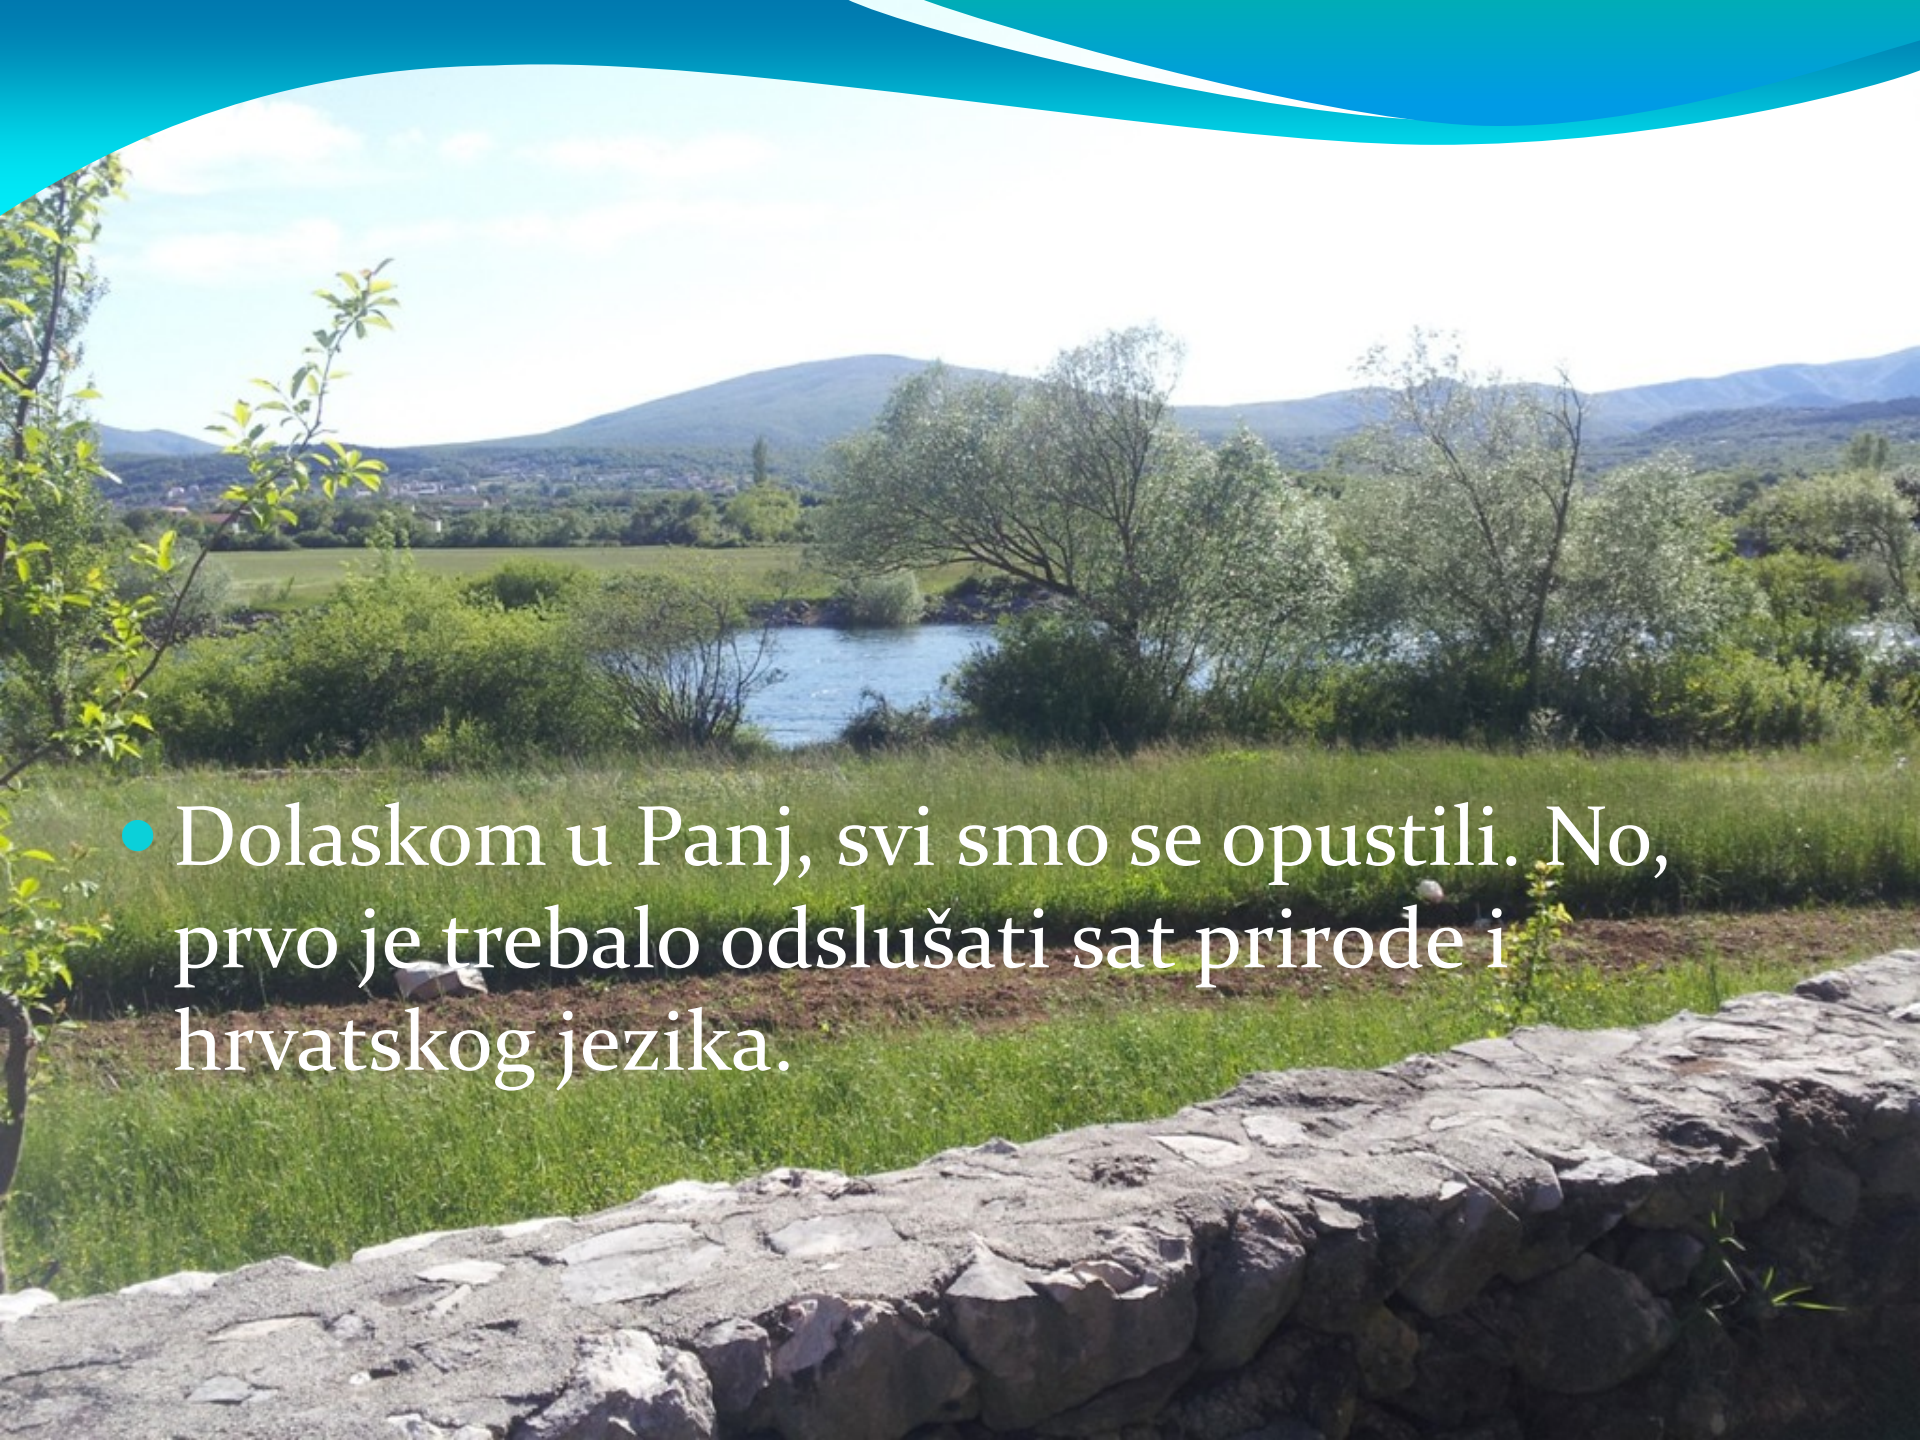

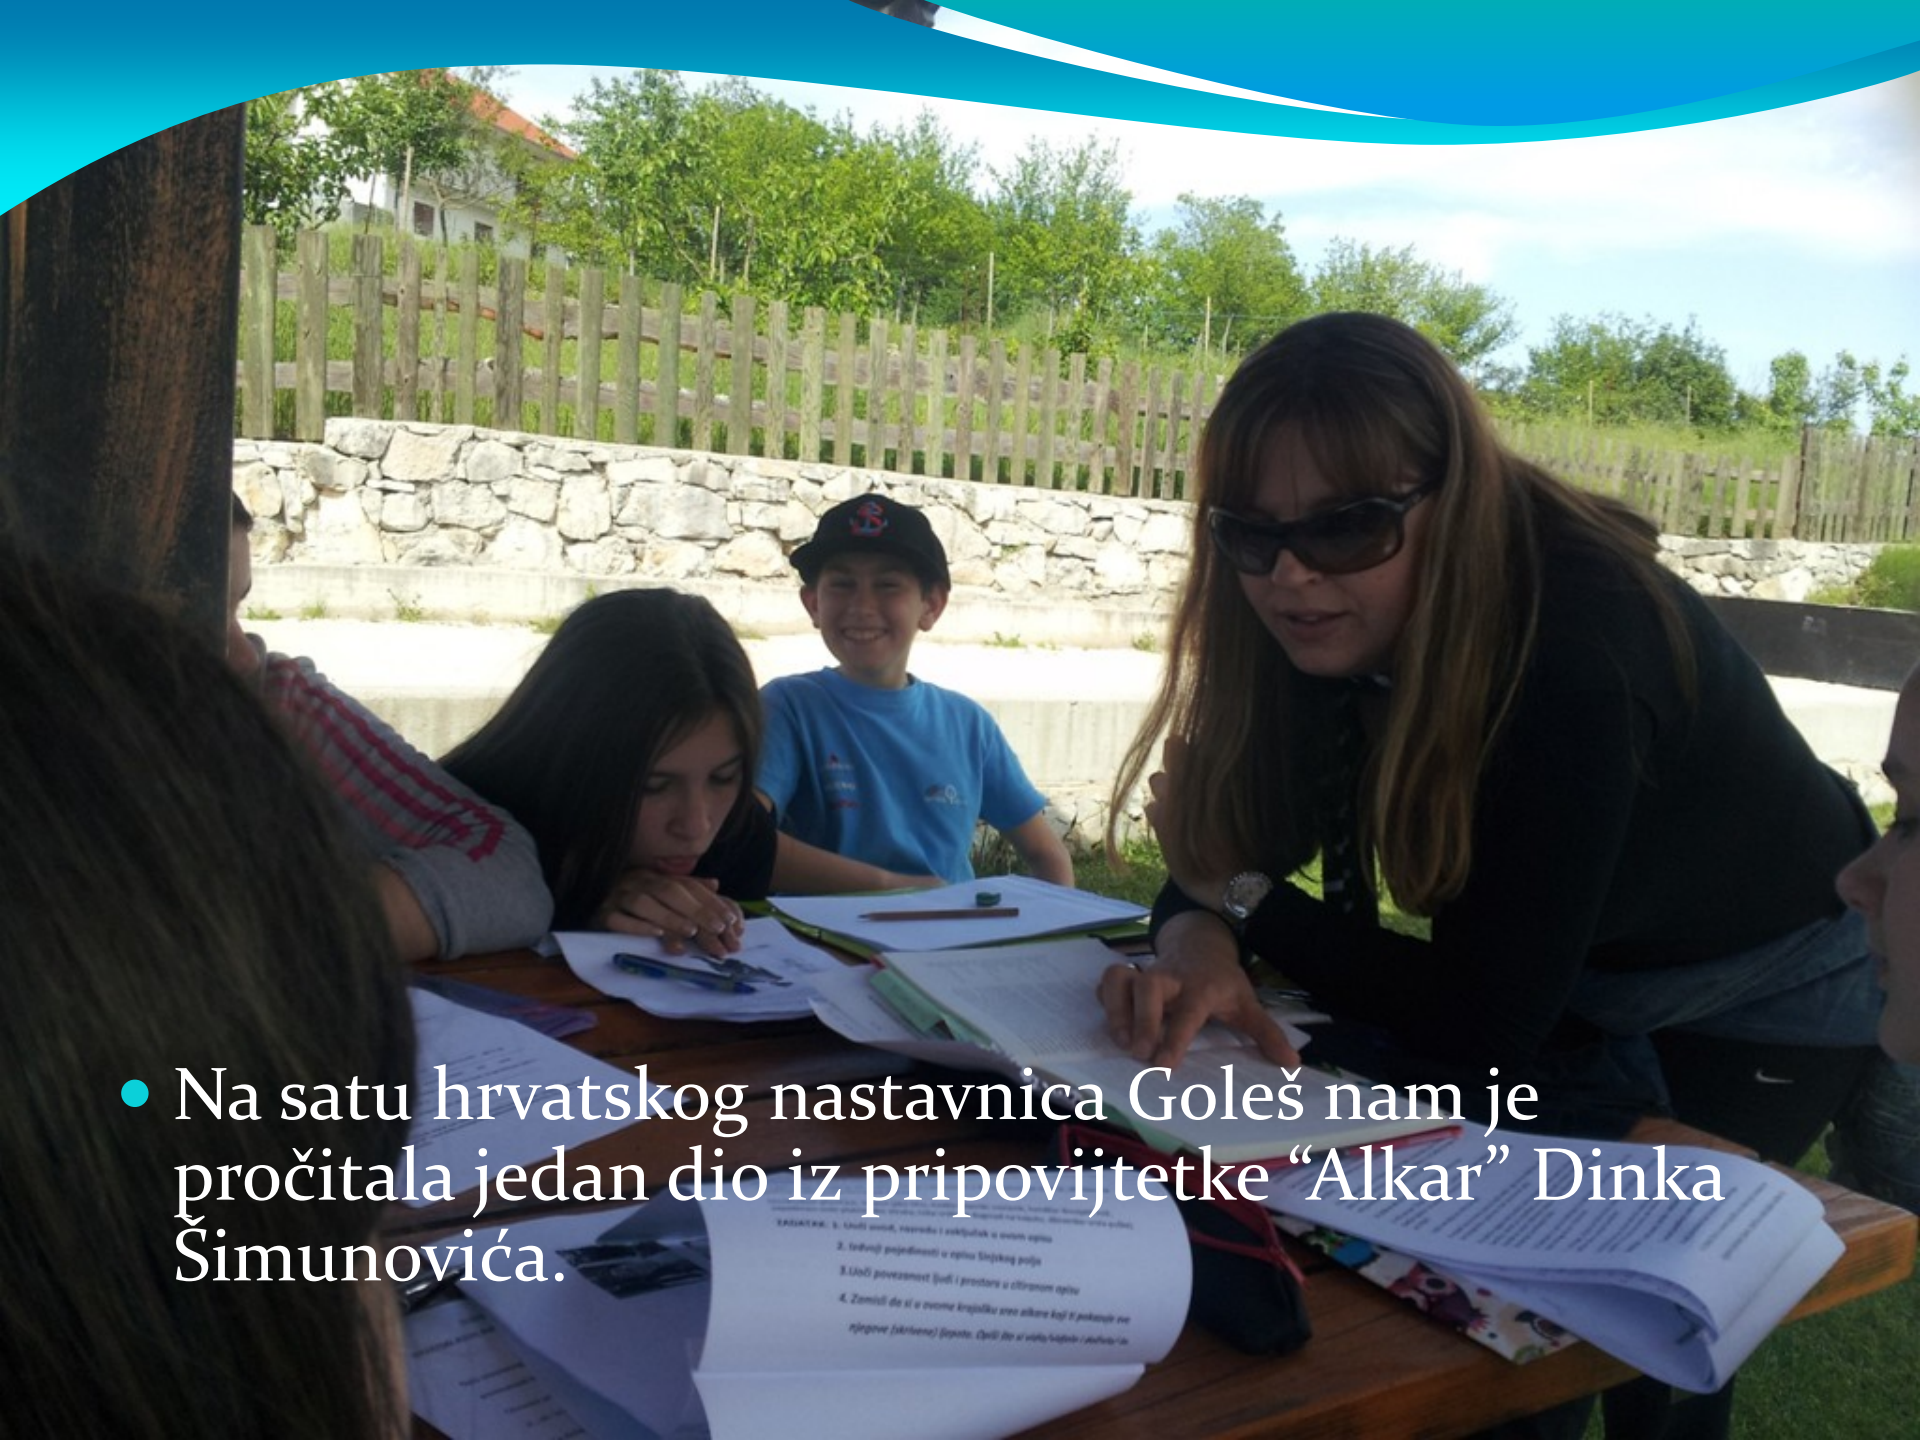

Neki od nas su zapalili i svijeće...

- 
- A young boy with dark hair, wearing a blue shirt, is looking intently at a museum exhibit. The exhibit is a large, framed historical painting or tapestry depicting a scene with several figures. To the left of the painting, a black ceramic pot sits on a white pedestal. The background shows a window with a view of greenery outside. The scene is set in a museum gallery with white walls and a wooden ceiling.
- U Muzeju Cetinske Krajine doznali smo mnogo podataka o povijesnoj i kulturnoj baštini tog kraja.

A scenic view of the Cetina river source. The water is exceptionally clear, showing a vibrant turquoise color. The surrounding landscape is lush with green trees and vegetation. In the background, a small, light-colored building is visible on the bank. The sky is bright, and the overall atmosphere is peaceful and natural.

Stali smo na izvor rijeke Cetine te se divili njenoj ljepoti. Također smo promatrali živa bića u njoj i izvan nje.

- 
- Dolaskom u Panj, svi smo se opustili. No, prvo je trebalo odslušati sat prirode i hrvatskog jezika.

- 
- A photograph showing a teacher and several students sitting around a wooden table outdoors. The teacher, a woman with long brown hair and sunglasses, is leaning over the table, pointing at a document. The students, including a boy in a blue shirt and a girl with long dark hair, are looking at the document. The background features a stone wall, a wooden fence, and green trees under a blue sky. A blue decorative banner is at the top of the image.
- Na satu hrvatskog nastavnica Goleš nam je pročitala jedan dio iz pripovijetke “Alkar” Dinka Šimunovića.

- 
- Na satu prirode, raspravljali smo o biljkama koje smo vidjeli uz, u i na površini rijeke.

Kao šećer na kraju, posjetili smo sinjski hipodrom s alkarskim konjima...

HVALA NA PAŽNJI!
